ACS General Surgery Review Course

This two day course provides a concise review of the essential content areas in general surgery, including abdomen, gastrointestinal tract, trauma, critical care, breast, endo crine, vascular, and perioperative care. International faculty uses a casebased, interactive question and answer format with an audience response system. Correct answers are discussed by the faculty and participants receive a syllabus with the case-based questions, answers, supporting discussions, and bibliographies.

ACS General Surgery Review Course

Il corso, in lingua inglese, è destinato ai Chirurghi fellows, ai giovani membri della RASACS e agli specializzandi in chirurgia.

E' un ottimo mezzo per rimanere aggiornati su tutta la chirurgia generale. Negli USA, l'American College of Surgeons offre il corso per preparare i chirurghi americani ad ottenere e/ov rinnovare il loro certificato di abilitazione chirurgica.

I partecipanti riceveranno materiale didattico in lingua inglese.

Quote di iscrizione:

REGULAR	€ 250,00
Italian Fellow (in regola con l'iscrizione ACS Italy Chapter di € 60)	€ 125,00
Specializzandi (con lettera comprovante la specializzazione in corso)	€ 100,00
Specializzandi Membri RAS	€ 60,00

Si prega di compilare l'acclusa scheda di iscrizione e di inviarla alla Segreteria Organizzativa entro e non oltre il 15 marzo 2019
